College was completed at B.Y.U. where he earned a B.S. degree in Business Management. The Air Force "beckoned" at that time and he served as an Officer and Pilot for 5½ years, taking him all over Asia, Europe, and the U.S. Following in civilian life, he acted as an Administrative Analyst for the County Administrator in Fairfield, California. "Wouldn't a little hardware store up in the beauty of the mountains be a dream of many?" So here we are giving it a try.

Annette was born in Ogden, Utah, but was raised in Caldwell, Idaho (near Boise). The youngest of four girls and also lived on a large dairy farm. I attended B.Y.U. for two years with classes in business. I dated Randy there and was married in 1966 in the Logan Temple. I am grateful for all the experiences of living in various places. I love homemaking, collecting recipes, and "changing things around". I enjoy playing the piano for relaxation.

Emily was born in Riverside, California. She loves school, reading and writing. She enjoys singing, ballet, and piano lessons. She learns and understands the Gospel well and her favorite color is purple.

Trent Ryan was born in Sacramento, California. He loves soccer and all animals. He collects rocks and sticks. He loves to build things with his hands. He enjoys fishing and is always happy.
